1.You will need to submit a Log of Professional Development Activities, along with the supporting documentation to show completion of the activities listed on the log. Here is the link to obtain the Log of Professional Development Activities form: http://www.orepdc.k12.or.us/pdf/PDUlog.pdf

2.Educators are required to: (1) track completed PDUs and enter them on a log; and (2) ensure that activities must fall within one of the seven "standards" specified in OAR 584-090-0110 in order to earn credit. These professional development opportunities do not differ from PDUs that were required if or when you were a full-time employed educator. The standards may be located at: http://learningforward.org/standards/standards-list

3. **Supporting documentation** would be some type of proof that you completed the activities listed on the Log of

Professional Development Activities. For example; Certificate of Completion, Certificate of Attendance, Official

Transcript (unopened), official letter/email, etc. These items need to show your name, the name of the activity, the date of the activity, the number of PDUs, credits earned or time to complete (minutes and/or hours). You can also submit a Verification of Attendance at Event to Earn Professional Development Units (PDUs). Here's the link for this

form: https://www.oregon.gov/tspc/Documents/PDUs_Verification_Form.pdf
